

ACC Litter Registration Application

**Litter Registrations are only provided to ACC Code of Ethics Breeders.
ACC Breeders must register all litters with the ACC.**

Choose Option A or Option B

Option A: Breeder agrees to register all of their puppies in this litter and will provide buyers names and addresses to allow ACC to send the buyers a welcome letter, brochure and a Membership Application form. The registration fee is \$5.00 per puppy in the litter and is due when the Litter Application form is submitted. ACC will mail the breeder a Puppy Registration form for each puppy in the litter. Breeder mails the completed Puppy Registrations to ACC. Breeder will be sent a Pedigree for each Pet/Companion puppy in the litter, which Breeder will provide to the buyer upon proof of spay/neuter. Breeder will be sent a Provisional/Show Application form to give to the buyer of the Provisional/Show puppy. Provisional/Show applications are filled out by the buyer and mailed to ACC with a \$30.00 fee. A Provisional/Show Pedigree will be sent to the buyer along with instructions on how to exchange the Provisional/Show Pedigree for a Breedable Pedigree after health testing is complete.

Option B: Breeder agrees to provide a welcome letter, brochure and Membership Application form to the buyer but declines to provide puppy buyer contact information to the ACC. The litter registration fee is \$25.00 and is due when the litter registration is submitted. Individual registration fees per puppy will apply.
